

Fresh Start Africa! - May 4-22, 2011

This year, our Fresh Start Africa opportunities & invitations are expanding!

Zambia / May 6 - 12

Our focus will be to help men, women and young people -- pastors, their wives, chaplains (of police, army and prisons), and other leaders, as well as teachers and others -- become free from the effects of offense, hurt and loss through the power of forgiveness and freedom in Christ!

The issues affecting the general population include divorce, sexual abuse, demonic influence and more.

The age range of the participants will be 21 - 60.

Pastor Boston, the key Fresh Start leader in Zambia, is desiring that a Fresh Start leadership team emerge from our week of seminar training and individual ministry appointments. That team would then participate in establishing a Fresh Start beachhead in Zambia that would expand Fresh Start training and ministry.

Botswana / May 13 - 20

*Once again, our Fresh Start team has been invited back to play a vital role in the discipleship training of **Face The Nation** (www.facethenation.org). What a joy it will be to invest in the hearts of over 100 prime college age students who will be deployed after their training to impact the lives of thousands!*

*In addition, while in Gaborone, Botswana, we have been invited by the leadership of **Open Baptist Church** (www.openbaptistbotswana.org) to minister to the church body at large at their Sunday services and to their Counselors, Stephen Ministers and Caregivers during the evening hours of the week (through Wednesday).*

*Our Fresh Start team will have the joy and privilege of ministering to the **Face The Nation** students by day and the **Open Baptist Church** leaders (and others) by night. It will be wonderFULL!*
