April-June Update 2010

WonderFULL!

FRESH START EAST ASIA – our 18 day Fresh Start mission in March was wonderFULL! We had the privilege and opportunity to invest in the hearts of church and ministry leaders, business professionals and student leaders in four cities! Here's the "fresh start story" of one who was impacted: "The Fresh Start Seminar indeed was a great blessing to me. It taught me how to really forgive others and went through the process step by step. Before the seminar, I wasn't even aware of my unforgiveness. Yet, after it I was able to embrace forgiving others as a lifestyle with a willing and cheerful heart."

FRESH START WEBSITE – our new website, www.freshstartforallnations.org is increasingly becoming more fully alive with a weekly post on our Fresh Start blog (Go Vertical!), a link to our Facebook page, and MORE!

FRESH START AFRICA – May 13-25, a Fresh Start team of six will be traveling to Botswana to invest in the hearts of 150 quality college students as a part of the "Face The Nation" discipleship training. This is an amazing opportunity to impact the entire country! More details to come!

FRESH START TRANSLATION PROJECTS – we are excited to report that the translation of the TRAUMA booklet in Chinese and "Processing The Issues of Your Heart" in Kirundi (Burundi, Africa) are very close to being ready to print and also post on our website! The TRAUMA booklet in Spanish and French-Creole, and the translation of the "Processing" booklet in French-Creole are still in process. Please pray for the completion of these translations and the heart transforming impact they will have!

THERE'S ALWAYS MORE – Fresh Start For All Nations has been invited to provide Fresh Start training as a part of the CPx (Church Planting Experience) training for All Nations Family (www.allnations.us) beginning this fall in Kansas City!

Convinced that it's never too late for a Fresh Start!
