### **Trip Report...**

Our 18 day Fresh Start mission to East Asia in March was wonderFULL! We had the privilege and opportunity to invest in the hearts of church and ministry leaders, business professionals and student leaders in four cities!

Here's the "fresh start story" of one who was impacted: "The Fresh Start Seminar indeed was a great blessing to me. It taught me how to really forgive others and went through the process step by step. Before the seminar, I wasn't even aware of my unforgiveness. Yet, after it I was able to embrace forgiving others as a lifestyle with a willing and cheerful heart!"
