

FRESHSTART™ Trip Report

"Providing The Opportunity For A Fresh Start, For Every Heart, In Every Nation!"

Fresh Start El Salvador! September 30 - October 5, 2010 Trip Report...

Our team of five is still basking in the blessing of our recent trip to El Salvador! We enjoyed great team chemistry & experienced great team synergy from beginning to end!

It was wonderful to see Jeff & Diane Cahill "come alive" more & more as they shared their fresh start stories along the way! Dave Songster was such a blessing too, providing much hope for the hearts of others through all that he shared as well as providing much comic relief for our team every day! And, Brad Thomas engaged the hearts of all, especially young people, as he wove timeless Truth into his fresh start story.

It truly was a wonderFULL time of "providing the opportunity for a fresh start for every heart" that we encountered during our many & varied meetings with Pastors, leaders, soccer players, students, marrieds, singles, young people, and more!

Please pray for Pastor Javier Osorio, Base Director for [Christ For The City](#), as he follows up with Pastors & leaders whose hearts were impacted & who desire to establish a Fresh Start beachhead in El Salvador!

Remember, with the Lord there's always MORE!
