A “FRESH” OPPORTUNITY IN HAITI!

WOMEN’S CONFERENCE IN HAITI

God is awesome! He has opened up an opportunity for women to minister to women in Haiti. There is a women’s conference in Cite Soleil (a very poor part of the city of Port au Prince) and we have been asked to take part in this conference.

The end of January, Anne Loeffler, Mercina Karbowski, Bonnie Dennis and Kristen Tschida, have the privilege of traveling to Haiti to carry Christ’s love to the women of Haiti. Many of these women are pastor’s wives from many villages around Port au Prince.

WITH THE LORD, THERE’S ALWAYS MORE...

The women will be presenting “Beloved Women of the King”, with great emphasis on ‘Fresh Start’ (www.freshstartforallnations.org). We will again be partnering with Pastor Astrel Vincent of Good Samaritan Foundation, who leads a quarterly gathering for 200+ pastors. This gathering will be just for women. We will teach Step Up to Life for the salvation message with an emphasis on repentance. That will be followed with ‘What Is Being Stored In Your Heart’ and ‘Processing The Issues of Your Heart’. Also we would like to talk about the Authority of the Believer, as is represented by Esther. If we have time we would present an overview of ‘Free From The Message of The Arrows!’. We have been so blessed to have received all this wonderful teaching and we are so excited to pass it on to these women.

EVEN MORE...

We will be staying at Faith Missions International’s Mission house. FMI (www.fmi-haiti.org) has an orphanage with 50 children and we plan to work in the evenings with some of the teenagers from the orphanage to tell them about Fresh Start. The children have been through many hardships (floods, starvations, loss of family, earthquakes) and are just starting to share their feelings. What a great opportunity to offer them a Fresh Start and find some young leaders to carry the message to others.
