

# FRESHSTART™ Trip Report

*“Providing The Opportunity For A Fresh Start, For Every Heart, In Every Nation!”*

## **Fresh Start Haiti! August 30 - September 4, 2010 Trip Report...**

Our Fresh Start Haiti team has returned from our trip with rejoicing in our hearts! Our week in Haiti was wonderFULL and very fruitFULL!

A definite HIGHPOINT of the week was the second day of the Fresh Start seminar right after we had completed Part 5 of [“Processing the Issues of Your Heart”](#) which is entitled FORGIVE. At that point, the worship team began to play their instruments and lead us in song. Immediately, the 350+ Pastors and wives entered into praise and worship and soon thereafter they broke into celebration! We witnessed the power of forgiveness and resulting freedom in Christ manifest before our very eyes!

Please continue to pray! Pray for Pastor Astrel Vincent as he follows up with the core leaders in Haiti with the vision in mind of seeing more of our Fresh Start [RESOURCES](#) translated (the [TRAUMA](#) booklet, [DENIAL](#) booklet, and [HAPPY HEART](#) booklet) into French Creole AND also establishing a Fresh Start “Beachhead in Haiti!

Remember, with the Lord, there’s always MORE!

Thanks so much for praying for us!
