“Providing The Opportunity For A Fresh Start, For Every Heart, In Every Nation!”

Fresh Start Haiti! June 6-9, 2010 Trip Report...

Our trip to Port au Prince, Haiti, was quick, but productive and even better than we expected. God showed up and orchestrated HIS plan. Thank you for all your prayer support as we felt your prayers and we give God all the glory. We began by telling four pastors and their assistants, what Fresh Start is and how it has changed many lives. They were eager to hear and wanted more immediately. In fact, that afternoon we were invited by Pastor Vincent to his church in Citi Sole to share the booklet ["Exposing Denial"](#) and to talk about repentance. There were 20 pastors at this Bible study and they want more material as soon as possible. Arrangements are being made even now to have the booklets ["Processing the Issues of the Heart"](#) and ["Is Your Heart a Happy Heart?"](#) translated into French-Creole. We hope to have them printed in Port au Prince as soon as possible. The issues of the heart are universal.

On day two, Mary returned to Citi Sole to visit schools and hand out cookies to children in some of the poorest areas in Haiti. Bonnie visited the children at the orphanage and also at the site where we prayed over the new orphanage that is currently under construction. Mary and Bonnie also had opportunity to travel around Port au Prince to see the tent cities and unbelievable destruction. The people there definitely do need a Fresh Start - both physically and for their hearts!!

We look forward to August 30 to September 4, 2010, when we will return to Haiti. Pastor Steve will be presenting a Fresh Start seminar to 300 pastors. There will be an opportunity to minister to 200-300 Pastor's wives as well. We also hope to send a team to minister to those who wish to step into forgiveness and freedom. Please be in prayer for the details and for the future team to be after God's heart. Haiti is in great need for healing and Fresh Start can aide in the process. We are so honored to be able to carry hope to Haiti's people who are strong people with a heart to live and grow in freedom!
