Since our last *Fresh Start For All Nations* update, life has been **wonderFULL!**

Fresh Start Foundations are being laid in Phoenix! Our time with **All Nations Church** (Linc and Jen Murdoch) February 8—13 was a very fruitful time of ministering to the hearts of those who “have a heart” for wholeness ministry. **Please pray** for our upcoming time in Phoenix, April 24—29, that a core of **leaders will be identified and mobilized** to launch an ANC Phoenix Fresh Start ministry soon.

Fresh Start will launch at the Fremont Alliance Church this coming Fall! The Fresh Start Seminar we presented at the Alliance Church on April 5, for those interested in Fresh Start, was an incredibly blessed time! A core of leaders has already been identified, and the ministry has the full support of their Senior Pastor!

Elk Ridge Village, near 194th and Blondo will be our new Fresh Start venue! Starting **Monday night** April 14, this will be our new “Home Base” weekly meeting place. It is a new and beautiful facility that will be very inviting and valuing to all who “step into the flow” of seeking a fresh start for their hearts.

On March 6, we re-launched Fresh Start at Douglas County Corrections in the Men’s Life Learning “Mod”! This is a highlight of our week. Our Fresh Start DCC Team loves to be with these “men in orange” and minister hope to their hearts and convince them that “it’s never too late for a fresh start” and “you can be free before you are freed”!
